

## Services

---

### **Waste Pickup:**

Clemmons provides curbside service through Waste Management. The Village is divided into five (5) sections with each section being assigned a specific day of the week. Any service above the basic curbside pickup is the responsibility of individual homeowner and needs to be arranged through Waste Management (723-5744).

### **Recycling:**

Recycling service is also provided through Waste Management on the same day of your waste collection.

### **Public Safety:**

Clemmons provides augmented protection through the Forsyth County Sheriff by contracting seven (7) patrolmen, two (2) traffic officer and two (2) detectives. With exceptions for emergencies, these personnel are dedicated to service within the limits of Clemmons.

### **Planning – Zoning:**

Clemmons has authority for planning and zoning within the municipal limits.

### **Street Maintenance:**

Provided by the Clemmons Public Works Department.

### **Street Lights:**

Provided by Clemmons at intersections.

### **Fire Service:**

Provided by Clemmons and Lewisville Fire Departments.

### **Code Enforcement:**

Provided by Clemmons through contract with Forsyth County Inspections Department.

### **Water-Sewer:**

Owned and operated by the Winston-Salem/Forsyth County Utilities Department. (Clemmons does not own or maintain these systems)

### **Leaf, Limb & Grass Program:**

Provided by the Clemmons Public Works Department. Clemmons will remove leaves, limbs & grass clippings from residential right-of-way. See enclosed brochure for details.

### **Mulch:**

Clemmons mulches debris from leaves and limbs. When available, mulch is for the use of Clemmons' residents free of charge. Call Public Works for details and availability.
