Clemmons' Fall Cleanup a Success

Clemmons, North Carolina – On October 17, 2015, the Village of Clemmons Stormwater Department hosted its annual Fall Cleanup which comprised of students from different groups at West Forsyth High School. Over 100 students participated in this event which resulted in 95 bags of trash and recyclables picked up along 16 miles of roads throughout Clemmons. Thank you to the following groups for your hard work in Keeping Clemmons Clean: Interact Club, Key Club, Kiwanis Club, Science Honor Society, Titan Greens, and Youth and Government. We would also like to thank Biscuitville for their donation of a box of coffee to help warm up our volunteers on that brisk morning.
