### **Clemmons Names Management Team**

**Clemmons, North Carolina** – The Village of Clemmons is forming a management team to work as one to oversee all business related to the Village. The team will consist of Larry Kirby, Village Manager; Mike Gunnell, Director of Public Works; and Megan Ledbetter, Village Planning/Community Development Director.

According to Larry Kirby, Village Manager, “the Village of Clemmons operates with a substantially lower ratio of employees to residents compared to other municipalities in NC. The management team will ensure cross-training and smooth day-to-day operations in the event of employee absences.”

Gunnell, Director of Public Works – Engineer has also been named to Assistant Village Manager. His current job responsibilities will remain the same; however, he will be in charge of all personnel and departments in the absence of the Village Manager.

Ledbetter, Planning and Community Development Director has also been named Administrative Director. She will continue with her current job responsibilities, and will be in charge of all personnel and departments in the absence of the Village Manger/Assistant Manager.
