Clemmons, North Carolina – The Village of Clemmons Mayor, Council and staff are praising Forsyth County Sheriff's Officer J.M. Boysel for thwarting a bank robbery on Friday afternoon in Winston-Salem. Deputy Boysel was inside the Wells Fargo on Martin Luther King Drive when a teller notified Boysel that she had been robbed. Boysel ran outside and arrested the suspect at the corner of the parking lot.

Deputy Boysel is assigned as an officer to the Village of Clemmons. According to Mayor Nick Nelson, "Boysel's act of bravery and instinct in this instance is an example of the professionalism and heroism that our officers display on a daily basis. We are confident that we have the best of the best protecting our citizens. We would like to extend our gratitude today and every day to Boysel and all of our officers for their courageous work."
