  - G. Attorney's Report
  - H. Planner's Report
  - I. Council Comments
- VII. Adjournment

DRAFT

**SPECIAL & REGULAR MEETING OF  
THE VILLAGE OF CLEMMONS COUNCIL  
September 14, 2020**

The Village of Clemmons Council met on Monday, September 14, 2020, at 4 p.m. The meeting was held at the Village Hall, Clemmons, North Carolina. The following members were present: Mayor Wait and Council Members Barson, Binkley, Cameron, Rogers and Wrights. Staff members present were: Manager Buffkin, Finance Officer Stroud, Planner Rahimzadeh, Public Works Director/Village Engineer Gunnell, Stormwater Engineer Kimbrell, Code Administrator Vaughn and Clerk Shortt and Village Attorney Elliot Fus.

**Call to Order**

[Mayor Wait called the meeting to order at 4:00 p.m.](#)

**Business – Special Meeting (Stormwater Discussion)**

Stormwater Engineer Kimbrell presented an outline to Council and led the stormwater program discussion which included the following:

- A. Current CIP List (non-ranked) and Funding Analysis (attached hereto as Exhibit A and incorporated as a part of the minutes)
  - 1. How long to complete what we have on the list?
  - 2. Cost to complete all of the projects on the list, in the timeframe decided
  - 3. Stormwater Fee Requirements
  - 4. Outside funding mechanism

The projects in blue are currently completed projects that date back to 2010; projects in green are currently underway and active in construction; projects in pink are not in the construction phase yet; projects in yellow have been recently reviewed by the SWAB and recommendations are being brought to Council for consideration (at this meeting or an upcoming meeting); and projects in red have been sent to a third party consultant for review and analysis. Currently there are 13 active projects on the list with the potential for 5 more to be added. Mr. Kimbrell provided several scenarios for project completion and costs along with discussing the need for a Stormwater Tech I (adding an additional employee which is currently a vacant position) if just handling by stormwater fees. He advised that for calculation purposes the average per project cost is approximately \$325,000. He advised the list ranking is based off impact, public safety and other factors but timing of the projects coming in is not on the list of items considered when ranking. He clarified that there have been projects that had severe dependency of downstream drainage structures and those projects had to be moved on. A discussion took place as to whether it would be less costly and more efficient to find a way to fund these projects quicker rather than later or is there an advantage to spread these out over time. Mr. Kimbrell pointed out that there are projects that have been on the list and when they have been bid out, they have doubled in cost in just a few years because the problem got worse. Finance

Director Stroud advised Council that she had contacted Truist Bank because they deal with government debt to inquire about what the interest rate for a revenue bond would be. She provided a scenario using \$4.5 million - the interest rate right now would be 2.00-2.25% and with a 12-year payback it would be about \$393,000 debt service/year (could go longer to reduce the rate but payback would be much more). She would need to speak further with Truist about the possibility of early payoff. She advised installment-purchase could be done but the interest rate would be higher. Mr. Kimbrell spoke about the project contracted out to a third-party consultant (Jewel Engineering). Most of the projects that are sent to them for review/design are done so due to them being located in a FEMA floodplain and the permitting process is typically not something that is handled at the local municipal level. There is a lot of cost associated with permitting. They take on the high-risk projects (some of which include dam safety permitting) and this also allows for buying into their insurance program. He provided the cost savings that have taken place over the past couple of years from contracting those projects out to Jewel Engineering. He estimated for the 13 projects currently on the list (best-case scenario) for completion (if secured funding) would be 2-3 years (weather-dependent).

- B. Private Property Cost Share Program
1. 50/50 cost share program for all projects outside of the rights-of-way
  2. Must meet a certain criterion to be an acceptable project (criteria to be created/agreed upon by Council)
  3. Whose accountable/liable for future damages/failures?

Mr. Kimbrell advised Council of the high amount of interest from residents in a 50/50 cost-share program for projects on private property and his concerns of accountability and liability for future failures or any kind of damage or harm that may come from it. He stated there would have to be a set of criteria developed and vetted by Staff, Council and legal counsel to determine the feasibility and worth. He clarified that this would be any property inside the Village of Clemmons that receives direct runoff from public drainage infrastructure and would not be able to be done if it is a blue-line stream or designated stream as those are unable to be piped. Attorney Fus advised that this is a program that could be undertaken as long as it meets a public purpose. He stated there would be a need to rank any requests and clarified that there is no blanket prohibition about going onto private property and easements would need to be secured. Staff engineers would determine what type of drainage improvements would be needed. Mr. Kimbrell advised this would be a separate project list from the CIP list and the funds for a cost-share program would be separate. Council did express some reservation about this type of program but are interested in seeing how it has worked in other municipalities and how it might function in the Village of Clemmons.

Council consensus was to direct Staff to draft a 50/50 cost-share program outline which includes Staff being designated to rank these projects for their review.

- C. Residential Permit Review Inspections
1. Required by our permit to keep track of impervious area in all “low-density” neighborhoods within our city
  2. Too many neighborhoods that were previously permitted as “low-density” are now going back and building above their approved limits set forth by NCDEQ - we are required to keep records and enforce
  3. Allowing buildout of “low-density” neighborhoods without stormwater treatment will cause further downstream flooding
  4. This program will cause a greater need for additional stormwater staffing

Mr. Kimbrell advised Council that in our current Phase II Permit, the Village of Clemmons is required to keep up with all “low-density” subdivisions (under the threshold of needing a stormwater BMP set forth by the state). The sites which are developed by developers are subject to a certain impermeable limit maximum. He pointed out there is an opportunity for the Village of Clemmons to be proactive with this and get in on a residential permit review program with the City of Winston-Salem. Currently, the Village of Clemmons does not have any review authority on single-family homes or trade permits that were on previously subdivided parcels prior to 2007. This would provide the opportunity to start inspecting these homes when a permit was applied for and impermeable areas, locations of infrastructure being built and the proximity to creeks, etc. This would help meet the requirements for our Phase II Permit. It would require a fast review and turnaround time of no more than a week and would require a permit fee for residential properties. The additional Stormwater staff person mentioned earlier would also be needed to help with these duties.

Council consensus was to direct Staff to work with the City of Winston-Salem on a residential permit review program for their consideration.

- D. Consideration of Stormwater Inundation Zones
1. Dry detention basins to be installed throughout Clemmons to offset downstream flooding
  2. Requires private property acquisition, future ownership, maintenance, insurance and accountability/liability

Mr. Kimbrell explained to Council that a stormwater inundation zone is a low-lying area that lie next to or close to a roadway that is downstream of a significant amount of impermeable area (i.e. strip of Lewisville-Clemmons Road near Lowes Foods). He advised of an option to potentially acquire property to install dry detention basins or quantity control devices (we would own and have to maintain and there would be insurance liability). It is another option to upsizing pipes (catches on the upstream end and detains or releases slowly). Public Works Director Gunnell advised this does solve a lot of problems but there is a liability in that we would own bodies of water (which would be dry most of the time). He stated this would provide a benefit but a set of criteria would need to be established to try to locate areas that would work. Each case would be brought before Council due to the cost, property acquisition (as it would require 3-4 acres) and long-term maintenance involved.

Council consensus was to direct Staff to look into Stormwater Inundation Zones for consideration.

- E. Stormwater Advisory Board (attached hereto as Exhibit B and incorporated as a part of the minutes)
1. Discussions regarding previous stormwater advisory board meeting and future responsibilities of the Stormwater Advisory Board
  2. SWAB CIP recommendations and preliminary ranking

Mr. Kimbrell advised Council of some of the SWAB members expressions from their recent meeting that “if Council is making the ultimate decision, I will just pass it through”. He stated the SWAB’s current responsibility is to assist with the stormwater program and vet the CIP projects that come in to determine whether they meet the current standards for the CIP list and make a recommendation (positive or negative) for Council’s consideration. He presented the 5 projects and their positive recommendations from the SWAB meeting to Council (the Lasater Road project was the only one that did not have a unanimous positive recommendation). He informed Council of the five criteria (created by Doug Jewel, Jewel Engineering) of a project that are required to be included into the CIP list:

- The project must be located within the corporate limits of the Village of Clemmons.
- The project must receive and/or convey public stormwater runoff.
- The project solution must be in the public rights-of-way or directly connected to the public rights-of-way.
- The project must provide a public benefit or a public responsibility.
- Can the project be performed without NCDOT approval?

He went over the ranking system and how points may be assigned based on impact of homes and roadways, permitting, downstream mitigation, aesthetic benefits, stream restoration, etc. Every year projects are reevaluated and re-ranked.

- F. Ordinance Overhaul
1. Current ordinances and UDO are dated and require an overall update

Mr. Kimbrell advised Council that the current stormwater ordinances are dated need to have an overhaul and be brought to Council for review and consideration.

- G. Future Development Stormwater Management Plan
1. Consider decreasing quantity regulations to all sites that disturb 10,000 square feet or more (currently triggered at 20,000 square feet)
  2. Consider requiring the 100-year event to be mitigated (current mitigation requirements stop at the 25-year event)
  3. Consider disregarding all “grandfathered” or “prior-right” impervious area credits in development, and require all development/redevelopment to treat all quantity runoff for all impervious area on site, regardless of how long that impervious area has been there

Mr. Kimbrell presented some ideas to Council for their consideration regarding the Stormwater Management Program. He stated that we currently have a quantity ordinance which is a flood mitigation regulation on development and redevelopment that is triggered at 20,000 square feet of land disturbance (which is approximately ½ acre). He would like to see that decreased to 10,000 square feet which would mean if a grading permit is triggered through Winston-Salem, it would trigger stormwater quantity requirements. This would capture infill (smaller-type) projects that may require stormwater mitigation. Another consideration is requiring the 100-year storm event for being the mitigation design storm versus the 25-year storm event (depending on the kind of stormwater BMP, it may change the cost and size of the device that is required). He stated he needs to speak with Attorney Fus regarding item 3 as he has not had an opportunity to prior to the meeting. This would be disregarding any “grandfather” or “prior-right” impervious areas in development in regards to quantity treatment meaning any future development or redevelopment would have to go back and treat all impervious area in regard to quantity runoff (not quality as there is a general statute that does eliminate the allowance of any local municipality of requiring treatment of prior impermeable area). He needs to discuss with Attorney Fus to confirm this is for quality only and not quantity and will advise Council accordingly.

Council consensus was to direct Staff to look further into quantity control ideas presented within the Stormwater Management Plan for their review and consideration.

A brief discussion was held about the storm that caused flooding in the Village of Clemmons on August 6, 2020 which 5-6 inches of rain fell in a period of 2-3 hours. It was mentioned that with that type of intensity, debris is a leading cause of stormwater drainage issues (overtopping on the road - Bridgewater in Old Meadowbrook which was due to a picnic table, kayak, dog house and a portion of a pier washed against the infrastructure).

Mayor Wait commended Staff and Council for their hard work in the recent past on the improvements to the Stormwater Program and expressed his compassion for those property owners who were impacted from the recent storm.

Council Member Barson inquired as to the thoughts from other members on her proposal for potentially revamping the SWAB. She expressed her concerns regarding the scope, specifically as it relates to CIP projects (if they are just going to pass along to Council, perhaps it should just start with Council) as these are infrastructure, big-dollar items. SWAB meets typically quarterly and Council is twice a month so delays would not take place. The Phase II Permit requires any variance to our ordinances to be looked at by a board (there has been one request in the last 10 years). Her suggestion was to possibly pass that on to the Zoning Board of Adjustment as they are a quasi-judicial board. She stated that fees and fee structure are essentially taxation and perhaps should remain with Council as Council has a better overall view of the Village. She developed a rough draft charter with two options either dissolving the committee entirely or evolving it

and the evolution would take away the three components of CIP projects, variances and fees/fee structure (this would turn the SWAB into a quality rather than quantity piece dealing with stormwater education initiatives and environmental issues).

Council consensus was to direct Staff to start the discussion and draft a written ordinance for review as a public hearing would need to be held as this would be an amendment to the UDO for the Stormwater Management Program.

### **Recess/Reconvene**

Mayor Wait recessed the meeting at 5:30 p.m.

[Mayor Wait reconvened the meeting at 6:00 p.m.](#)

### **Pledge of Allegiance (Regular Meeting)**

Mayor Wait led the Pledge of Allegiance.

### **Public Comments**

There were three citizens in attendance. There were three individuals that spoke during public comments:

- Larry Wise, 8009 Kilcash Court, Clemmons, NC – requested Council adopt a resolution addressing COVID-19 preventative measures at voting precincts. He advised early voting begins October 15, 2020.
- Kenny French, 7510 Lasater Road, Clemmons, NC – presented Council photos of the damage to his property during the August 6, 2020 storm (attached hereto as Exhibit C and incorporated as a part of the minutes).
- Allen Daniel, 100 Fernworth Court, Clemmons, NC – expressed his concerns regarding stormwater and the effects development has in regards to Clemmons West.

### **Approval of the Minutes**

Council Member Cameron moved to approve the minutes of the August 24, 2020 regular meeting as presented. The motion was seconded by Council Member Barson and unanimously approved.

### **Approval of the Agenda**

Mayor Wait requested the addition of Item 3. under Manager's Report "Resolution Request".

Council Member Cameron moved to approve the agenda as amended. The motion was seconded by Council Member Barson and unanimously approved.

### **Announcements**

There were none.

### **Business – Information**

- A. Marketing and Communications Director's Report.
  - 1. Events Update – Clerk Shortt advised of the following updates:
    - The last Saturday of the Farmers Market will be October 10.Everyone is encouraged to read the great articles in the Clemmons

Courier from last week. The market has become such a meaningful community between vendors and customers averaging around 300 customers each week.

- Fall Medicine Drop – November 7, 2020 (9am-noon at Public Works Facility) – this will be a drive-thru pill collection.
- Anyone interested in participating in the Fall Clemmons Cleanup can select a date between now and November 30 to coordinate a drop off of materials and road assignment to help Keep Clemmons Clean. All information, guidelines, and registration can be found on the Clemmons website at [www.clemmons.org/cleanup](http://www.clemmons.org/cleanup)

### **Business – Action Items**

- B. *Stormwater Project Culvert Replacement Bid Proposals.*
1. Greenbrook - Manager Buffkin advised Council of the bid proposals for the stormwater project culvert replacement for Greenbrook (attached hereto as Exhibit D and incorporated as a part of the minutes).
    - a. Budget Amendment 21-S-2 for contingency (attached hereto as Exhibit E and incorporated as a part of the minutes).

Council Member Barson moved to approve the bid from North State Water and Sewer, Inc. in the amount of \$252,524.00 and Budget Amendment 21-S-2 for contingency as presented. The motion was seconded by Council Member Cameron and unanimously approved.

2. Mendelssohn - Manager Buffkin advised Council of the bid proposals for the stormwater project culvert replacement for Mendelssohn (attached hereto as Exhibit F and incorporated as a part of the minutes).
  - b. Budget Amendment 21-S-3 for contingency (attached hereto as Exhibit G and incorporated as a part of the minutes).

Council Member Barson moved to approve the bid from North State Water and Sewer, Inc. in the amount of \$243,075.00 and Budget Amendment 21-S-3 for contingency as presented. The motion was seconded by Council Member Cameron and unanimously approved.

### **Business – Review and Items for Future Action**

- C. *Manager's Report.*
1. *Ordinance 2020-08 Enacting and Adopting Supplement 23 to the Code of Ordinances* – Manager Buffkin presented to Council Ordinance 2020-08 Enacting and Adopting Supplement 23 to the Code of Ordinances (attached hereto as Exhibit H and incorporated as a part of the minutes).

Council Member Rogers moved to adopt Ordinance 2020-08 Enacting and Adopting Supplement 23 to the Code of Ordinances. The motion was seconded by Council Member Barson and unanimously approved.

2. *Budget Amendment 21-S-4* – Manager Buffkin presented to Council Budget Amendment 21-S-4 (attached hereto as Exhibit I and incorporated as a part of the minutes).
  - a. Tanglebrook CIP (SOW #3)
  - b. Doublegate CIP (SOW #4)

Council Member Barson moved to approve Budget Amendment 21-S-4 for Tanglebrook CIP (SOW #3) and Doublegate CIP (SOW #4) as presented. The motion was seconded by Council Member Cameron and unanimously approved.

3. *Resolution Request* – Council Member Cameron addressed the request for a resolution during the public comments portion of the meeting made by Larry Wise.

Council consensus was to direct Staff to draft a resolution addressing COVID-19 preventative measures by voters at voting precincts for consideration at the next regular meeting.

- D. *Attorney's Report* – Attorney Fus advised Council of a meeting regarding the Market Center Drive project that he was involved in along with Manager Buffkin, Public Works Director Gunnell and Dr. Shipley (property owner on Cook Avenue near Wells Fargo property) who is resistant to donating right-of-way. He stated there may need to be future closed session discussion. He also advised Council that regarding the Visible Properties billboard litigation, the deadline to file an answer is this Friday, September 18, 2020 which Attorney Flannigan is handling.
- E. *Planner's Report* – Planner Rahimzadeh advised Council there will not be a Planning Board meeting this month but there will be a training session held on Thursday, September 17, 2020.
- F. *Council Comments* – Mayor Wait stated his appreciation for the progress that is being made with the revamping of the Stormwater Department and commended Council and Staff for their work on this.

### Adjournment

Council Member Rogers moved to adjourn the meeting at 6:37 p.m. The motion was seconded by Council Member Barson and unanimously approved.

Lisa Shortt, NCCMC  
Village Clerk

Resolution Number **2020-R-7**

**RESOLUTION ADDRESSING COVID-19 PREVENTATIVE MEASURES  
BY VOTERS AT VOTING PRECINCTS**

**WHEREAS**, the 2020 General Election is set to take place on Tuesday, November 3, 2020 with Early Voting beginning on Thursday, October 15, 2020 in Forsyth County, NC; and

**WHEREAS**, there are approximately 14,654 registered voters within the Village of Clemmons; and

**WHEREAS**, the novel coronavirus disease-2019 (COVID-19) is a disease spreading across the globe causing flu-like symptoms, but with a significantly higher rate of death, particularly among those who are elderly or medically vulnerable; and

**WHEREAS**, the Forsyth County Board of Elections is committed to helping to serve all eligible voters during these difficult times and ensure that voters will be able to cast their ballot.

**NOW, THEREFORE BE IT RESOLVED** that the Village of Clemmons Council encourages the voting residents of the Village of Clemmons in Forsyth County, NC to abide by the following recommendations from the Centers for Disease Control (CDC) when visiting the voting precincts:

- Practice healthy behaviors to protect yourself and slow the spread of COVID-19
  - Wash your hands before entering and after leaving the polling location.
  - While in the polling location, use alcohol-based hand sanitizer containing at least 60% alcohol frequently, especially after touching surfaces frequently touched by multiple people, such as door handles or voting machines.
  - Cover coughs and sneezes with a tissue or the inside of your elbow. Throw used tissues in lined trash cans. Wash your hands or use an alcohol-based hand sanitizer containing at least 60% alcohol.
  - Wear a mask. Children under 2 and anyone who has trouble breathing, is incapacitated or otherwise unable to remove the mask without assistance should not wear a mask.
  - Maintain at least 6 feet (about 2 arms' length) of distance from others. It is important to continue social distancing even when you and others are wearing masks.
- Consider voting alternatives available in your jurisdiction that minimize contact. Voting alternatives that limit the number of people you come in contact with or the amount of time you are in contact with others can help reduce the spread of COVID-19. Check your local election office for more information on voting alternatives available in your jurisdiction.
- Do not disinfect or wipe down the voting equipment yourself. Electronic voting equipment can be damaged by cleaners and disinfectants. If you use hand sanitizer before touching the voting equipment, ensure your hands are completely dry to avoid damaging the equipment. Wash your hands or use alcohol-based hand sanitizer after using the voting equipment.

- Avoid crowds
  - Use early voting, if available in your jurisdiction.
  - Vote at off-peak times, such as mid-morning.
  - If driving to the polls and your schedule allows, monitor the voter line from your car and join it when it's shorter.
- Be prepared
  - Check your voting location and requirements in advance because they may have changed due to COVID-19.
  - Verify your voter registration information is correct in advance of reporting to the polling location.
  - Contact your local or state election office for additional information for voters with disabilities.
  - Make sure you have all necessary documents to avoid delays at the polling location.
  - If possible, complete any registration forms prior to arriving at the polling location.
  - Where possible, review or complete a sample ballot at home to speed the process of casting your ballot at the polling location.
  - Bring your own black ink pen.
  - Bring a stylus or similar object for use with touchscreen voting machines. Check with poll workers before using.

Adopted this the 28th day of September 2020.

THIRD AMENDMENT TO  
CONTRACT BETWEEN  
THE VILLAGE OF CLEMMONS, NORTH CAROLINA  
AND  
WASTE MANAGEMENT OF CAROLINAS, INC.

THIS Fourth AMENDMENT, made this \_\_\_\_\_ day of \_\_\_\_\_ 2020, to the Agreement dated April 23, 2007, as amended on March 17, 2008 and April 24, 2012, (the "Agreement") by and between the Village of Clemmons, North Carolina (the "Village"), and Waste Management of Carolinas, Inc., a North Carolina corporation (the "Contractor").

WHEREAS, the Village and Contractor desire to implement an annual Bulk Collection Event.

NOW, THEREFORE, the Village and Contractor agree as follows:

Section 1. Scope. The scope of services will include one Bulk Collection Event annually. Contractor will collect bulk items curbside at an agreed upon date with the Village.

a. Bulk Definition:

i. ACCEPTABLE ITEMS FOR BULK COLLECTION:

Household furniture, lawn furniture, carpet, extra-large rugs, bicycles, toilets, grills (no propane) mattresses and box springs (limit of 2 sets per household) White Goods - Stoves, refrigerators, freezers (doors must be removed), water heaters, dishwashers All items must be in plain view and may not be bagged or boxed. Items must be placed within three feet of the curb. Per NC law all refrigerators and freezers must have a certification tag stating the freon has been removed.

ii. ITEMS NOT ACCEPTED: Televisions, computers, mirrors or glass of any kind, household waste, yard waste, dead animals, tires, hazardous waste of any type, chemicals, paint, microwaves, electronic waste, car motors, clothing, shoes, books, general recycle items, liquid waste, batteries, motor oil and any equipment containing oil or gas. Lumber scraps, construction debris (C&D Material), bagged trash, cardboard and cardboard boxes.

Section 2. Rates for Services. The rate of services will be as follows, \$17,187.50 per one Bulk Collection Event per year consisting of a two-week service period. These rates shall be subject to annual CPI adjustments according to the terms of the current Agreement.

Section 3. Termination Clause. Either party may terminate this fourth amendment to the agreement by giving 90 days' notice in writing.

IN WITNESS WHEREOF, the parties hereto have set their hands as of \_\_\_\_\_ day of \_\_\_\_\_, 2020.

## VILLAGE OF CLEMMONS EXTERNAL DISCRIMINATION COMPLAINT INSTRUCTIONS

### INTRODUCTION

The Village of Clemmons is responsible for processing discrimination complaints filed under Title VI of the Civil Rights Act of 1964 and related nondiscrimination laws. Participants and beneficiaries of programs and activities administered or funded by the Village of Clemmons who feel they have been discriminated against based on race, color, national origin, income level, Limited English Proficiency (LEP), sex, age, or disability have a right to file a complaint. Complaints of alleged discrimination will be investigated by the appropriate authority, such as ECR, a Federal agency. Note: Religion is only covered under NCDOT's Right of Way program, (Fair Housing) and programs funded by the Federal Aviation Administration (FAA) or Federal Transit Administration (FTA).

### FILING OF COMPLAINTS

1. **Applicability** – These complaint procedures apply to Village of Clemmons programs, activities, and services. Note: Title VI does not include internal complaints related to Equal Employment Opportunity (EEO).
2. **Eligibility** – Any person or class of persons who believes he/she has been subjected to discrimination based on race, color, national origin, income level, LEP, sex, age, or disability (and religion, where applicable) may file a written complaint with the Village of Clemmons's Title VI Coordinator. The law also prohibits intimidation or retaliation against anyone who files a complaint.
3. **Filing Options and Time Limits** – Complaints may be filed by the affected individual(s) or a representative and must be filed no later than 180 calendar days after the following:
  - The date of the alleged act of discrimination; or
  - The date when the person(s) became aware of the alleged discrimination; or
  - Where there has been a continuing course of conduct, the date on which that conduct was discontinued or the latest instance of the conduct.

Title VI and related discrimination complaints may be submitted to the following entities:

- **North Carolina Department of Transportation**, Office of Civil Rights, External Civil Rights, 1511 Mail Service Center, Raleigh, NC 27699-1511; 919-508-1808 or toll-free 800-522-0453
- **US Department of Transportation**, Departmental Office of Civil Rights, External Civil Rights Programs Division, 1200 New Jersey Avenue, SE, Washington, DC 20590, 202-366-4070
  - **Federal Highway Administration**, Office of Civil Rights, 1200 New Jersey Avenue, SE, 8<sup>th</sup> Floor, E81-314, Washington, DC 20590, 202-366-0693/202-366-0752
  - **Federal Highway Administration**, North Carolina Division Office, 310 New Bern Avenue, Suite 410, Raleigh, NC 27601, 919-747-7010
  - **Federal Transit Administration**, Office of Civil Rights, ATTN: Title VI Program Coordinator, East Bldg. 5<sup>th</sup> Floor – TCR, 1200 New Jersey Avenue, SE, Washington, DC 20590
  - **Federal Motor Carrier Safety Administration**, Office of Civil Rights, 1200 New Jersey Avenue, SE, Room #W65-312, Washington, DC 20591, 202-366-8810
  - **Federal Aviation Administration**, Office of Civil Rights, 800 Independence Avenue, SW, Washington, SC 2591, 202-267-3258
- **US Department of Justice**, Special Litigation Section, Civil Rights Division, 950 Pennsylvania Avenue, NW, Washington, DC 20530, 202-514-6255 or toll-free 877-218-5228

4. **Format for Complaints** – Complaints must be in writing and signed by the complainant(s) or a representative, and include the complainant’s name, address, and telephone number. Complaints received by fax or email will be acknowledged and processed. Complaints will be accepted in other languages, including Braille. (See Discrimination Complaint Form included below.)
5. **Complaint Basis** - Allegations must be based on issues involving race, color, national origin, income level, LEP, sex, age, or disability, and religion, where applicable. The term “basis” refers to the complainant’s membership in a protected group category. Note: Religion (or creed) is only protected under Right of Way, Public Transportation, and Aviation programs.

Protected Categories	Definition	Examples	Pertinent Statutes and Regulations	
			FHWA	FTA
Race	An individual belonging to one of the accepted racial groups; or the perception, based usually on physical characteristics that a person is a member of a racial group	Black/African American, Hispanic/Latino, Asian, American Indian/Alaska Native, Native Hawaiian/Pacific Islander, White	Title VI of the Civil Rights Act of 1964; 49 CFR Part 21; 23 CFR 200; (Executive Order 13166)	Title VI of the Civil Rights Act of 1964; 49 CFR Part 21; Circular 4702.1B; (Executive Order 13166)
Color	Color of skin, including shade of skin within a racial group	Black, White, Brown, Yellow, etc.		
National Origin (LEP)	Place of birth. Citizenship is not a factor (Discrimination based on language or a person’s accent is also covered.)	Mexican, Cuban, Japanese, Vietnamese, Chinese, Russian, French.		
Income level	An individual or household determined to be low-income	Poverty status	Executive Order 12898	
Sex	The sex of an individual. Note: Sex under this program does not include sexual orientation	Women and Men	1973 Federal-Aid Highway Act	Title IX of the Education Amendments of 1972
Age	Person of any age	21-year-old person	Age Discrimination Act of 1975	
Disability	Physical or mental impairment, permanent or temporary, or perceived	Blind, alcoholic, para-amputee, epileptic, diabetic, arthritic	Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990	
Religion	Creed. An individual belonging to a religious group; or the perception, based usually on distinguishable characteristics that a person is a member of a religious group	Muslim, Christian, Sikh, Hindu, etc.	Title VIII of the Civil Rights Act of 1968 (Fair Housing Act); 49 USC 47123 (FAA); 49 USC 5332 (FTA)	

## **COMPLAINT RECEIPT AND RESPONSE**

1. The Village of Clemmons's Title VI Coordinator will provide written acknowledgement via registered mail of your complaint within fifteen (15) calendar days.
2. The Village of Clemmons will review your complaint upon receipt to ensure the required information was provided, the complaint was timely filed, and jurisdictional requirements were met.
  - a. If the complaint is complete and no additional information is needed, the Village of Clemmons Title VI Coordinator will send you a letter of acceptance as well as a Complainant Consent/Release Form.
  - b. If the complaint is incomplete, you will be contacted in writing to obtain the needed information. Note: Failure to respond and/or provide the requested information within fifteen (15) calendar days may be considered good cause for a determination of no investigative merit.
3. Within fifteen (15) calendar days of receiving your complaint, the Village of Clemmons will determine its jurisdiction in pursuing the matter and whether the complaint has sufficient merit to warrant investigation. Within five (5) days of this decision, the Village of Clemmons will notify you and Respondent (the person(s) against whom you have filed the complaint) via registered mail, stating the decision.
  - a. If the decision is not to investigate the complaint, the notification shall specifically state the reasons for the decision.
  - b. If the decision is to investigate the complaint, the notification shall state the grounds of the Village's jurisdiction and require your and the Respondent's full cooperation in assisting the investigator.
  - c. Interviews may be recorded during the investigation. Consent to record may be required if the interviewee is located outside of North Carolina.
4. The Village of Clemmons will attempt to resolve all discrimination complaints within 60 days of accepting the complaint for investigation. Every effort will be made to obtain early resolution of complaints at the lowest level possible. The option of informal mediation between the affected parties and Village of Clemmons staff may be utilized for resolution. The Village will make known all filing options and avenues of appeal.

## DISCRIMINATION COMPLAINT FORM

**Any person who believes that he/she has been subjected to discrimination based upon race, color, sex, age, national origin, disability, income-level, or Limited English Proficiency may file a written complaint with the Village of Clemmons Title VI Coordinator within 180 days after the discrimination occurred.**

Resolution Number 2020-R-8

**RESOLUTION TO ADOPT A TITLE VI POLICY FOR THE VILLAGE OF CLEMMONS  
TO PROHIBIT DISCRIMINATION IN PROGRAMS, SERVICES AND ACTIVITIES  
RECEIVING FEDERAL FINANCIAL ASSISTANCE**

**WHEREAS**, in 1964, Congress enacted the Civil Rights Act of 1964, which included that section labeled Title VI which prohibits discrimination in any activity which is financed by federal funds or receives federal financial assistance; and

**WHEREAS**, since the adoption of Title VI, additional federal regulations and court decisions have further refined the definition of "federal financial assistance" and what entities are affected and controlled by Title VI; and

**WHEREAS**, the Village of Clemmons has no formal policy in place for defining and preventing discrimination in the activities and for the entities Title VI affects; and

**WHEREAS**, the interpretation and application are not intuitive or readily understood, requiring an understanding of what "federal financial assistance" might be in any particular situation and what persons or entities must comply with Title VI; and

**WHEREAS**, a policy and procedure for reporting violations will provide guidelines for the Village, Village Departments and private persons and companies doing business with the Village and receiving federal financial assistance.

**NOW, THEREFORE, BE IT RESOLVED** by the Village Council of the Village of Clemmons that the attached "Title VI Policy" is hereby adopted as the official policy of the Village of Clemmons for applying, reporting and enforcing Title VI of the Civil Rights Act of 1964.

**IT IS FURTHER RESOLVED** that the Village Manager is authorized to approve this policy on a yearly basis if no changes are made to it.

Adopted this the \_\_\_\_ day of \_\_\_\_\_ 2020.

ATTEST:

\_\_\_\_\_  
Lisa Shortt, Village Clerk

## Title VI Nondiscrimination Policy Statement

It is the policy of the Village of Clemmons to ensure that no person, shall, on the ground of race, color, national origin, Limited English Proficiency, income-level, sex, sexual orientation, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Village of Clemmons program or activity, including, where applicable, religion, as provided by Title VI of the Civil Rights Act of 1964, United States Department of Transportation (DOT) Order 1050.2A, Title 49 Code of Federal Regulations (CFR) Part 21, the Civil Rights Restoration Act of 1987, and other pertinent nondiscrimination authorities.

The following practices are hereby prohibited throughout the Village of Clemmons to comply, at a minimum, with Title VI and related requirements:

- Denying to an individual any standard service, financial aid, or other program benefit without good cause;
- Providing any service, financial aid, or other benefit to a person which is distinct in quantity or quality, or is provided in a different manner, from that provided to others under the program;
- Subjecting a person to segregation or separate treatment in any part of a program;
- Restrictions in the enjoyment of any advantages, privileges, or other benefits enjoyed by others;
- Methods of administration which, directly or through contractual relationships, would defeat or substantially impair the accomplishment of effective nondiscrimination;
- Different standards, criteria, or other requirements for admission, enrollment, or participation in planning, advisory, contractual or other integral activities;
- Acts of intimidation or retaliation, including threatening, coercing, or discrimination against any individual for the purpose of interfering with any right or privilege secured by any pertinent nondiscrimination law, or because s/he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing;
- Discrimination in any employment resulting from a program, a primary objective of which is to provide employment.

To assure that appropriate program measures are implemented and monitored, I have designated Lisa Shortt, Village Clerk, the Village of Clemmons's Title VI Coordinator; LShortt@Clemmons.org, (336)766-7511. As an expression of my commitment to and support of the Village's Title VI Nondiscrimination Program, below is my signature as the Village of Clemmons Manager.

---

Scott Buffkin, Village Manager
