Subject: Stormwater Advisory Board Meeting Cancelled

All,

Due to a lack of members (board and staff) being able to be present at this meeting, the meeting tonight has been cancelled. We are looking into future meeting options and will post the next meeting date and structure on our Village of Clemmons website. If you have further questions, please contact Wes Kimbrell at 336-766-9170.

Sincerely,

Wes Kimbrell, PE
Stormwater Engineer
For The Village of Clemmons
