We would like to take this opportunity to welcome you to the Village of Clemmons and hope you find it a wonderful place to live, work and raise a family. We have put together this information to help you settle into your new home. You will find information about utilities, motor vehicle registration, driver’s licenses, voter registration as well as information on schools and recreational opportunities. While we try very hard to include everyone if we overlooked your company, please let us know.

If you need any assistance or would like to have additional information, please contact the staff at Village Hall:
